**2020 New York State 4-H Shooting Sports
Our Future Depends on YOUR Support!**

**Sportsman's Auction
Thursday, October 15, 2020
Talk of the Town Auction Hall
Ballston Spa, NY**

(Limited Attendance - Left Bids Highly Encouraged – See Details Below)

For the past twenty years the New York State 4-H Shooting Sports Program has grown thanks to the over 300 friends who gather for our annual major fundraising event to support our program and our numerous 4-H participants and Certified Volunteer Instructors. The major annual event enabled our program to grow to over 41,000 youth participants in nearly 40 New York counties in 2019. 4-H Shooting Sports is considered the largest multi-disciplinary youth shooting programs in our state. However, there are challenges as we move forward and look to the future - we need your help.

This year started normally and our leadership team received outstanding support both within the state and across the country as we prepared for our 21st Annual Banquet & Auction originally planned for April in Lake George, NY. Then, the Covid-19 pandemic struck and we postponed our event in hopes it could be held later this year. However, due to attendance restrictions and density limits our regular annual event for 2020 had to be cancelled.

Instead for 2020, we are holding a major Sportsman's Auction to benefit NYS 4-H Shooting Sports on Thursday, October 15 at 6:30 PM at the Talk of the Town Auction Hall, a licensed FFL dealer, in Ballston Spa, NY. We expect up to 300 lots available featuring new and pre-owned firearms including a wide selection of rifles, shotguns and handguns as well as original artwork and collectible prints from recent 4-H Artists of the Year and others, ammunition, binoculars, rangefinders and scopes for firearms. The auction will also include a large selection of knives, American flags, firewood, maple syrup, gift certificates, the legendary "Tackle Boxes of Dreams" and so much more.

Due to Covid-19 capacity restrictions, there will be limited physical attendance to this event. If you wish to physically attend the auction, please contact us at Talk of the Town at 518-885-0772 as soon as possible to reserve limited seating.

Those who have attended our events in recent years will be receiving a running list of auction items and a list of our donors/supporters. Those who attend regular Talk of the Town Auction Sportsman's Auctions will receive an auction list directly from Talk of the Town Auction about a week before the auction. To contact Beverly and John Stanislawsky at the Talk of the Town Auction Hall, please call 518-885-0772. Additional information about our auction will also be available under Talk of the Town Auction Hall listings on AuctionZip.com.

In-person auction preview will be available at Talk of the Town Auction Hall on Wednesday, October 14 and on October 15 where you can see all auction items and leave bids. A special NYS 4-H Shooting Sports Scholarship offering for a 20 gauge TriStar shotgun with red highlights will also be available for the night of the auction.

Please join us ... we can't do it without you!
