# PRISM talks Invasive Species

A Zoom Series

**Calling all nature enthusiasts and activists!**

The Capital Region Partnership for Regional Invasive Species Management (PRISM) is a not-for-profit, quasi-governmental agency, hosted by Cornell Cooperative Extension of Saratoga County and funded by the New York State Department of Environmental Conservation. Their mission is to detect, prevent, and manage invasive species that could be affecting natural areas of the Capital Region. Crandall Public Library is excited to host a series of virtual programs via Zoom, about the invasive species that threaten the ecosystems of our surrounding area and how we can help.

\*REGISTRATION IS REQUIRED FOR EACH TOPIC. Register for all 4 or the topic(s) of your choice.
